5. [REDACTED] Spoke with Edwin Feulner, House Republican Conference Committee, concerning his interest in obtaining an organizational chart of the United States Government which goes into greater detail than the charts printed in the "United States Government Organization Manual" and referred him to a chart put out by the Senate Government Operations Committee. Mr. Feulner thanked us for our assistance and said he would be back in touch in the event he needed anything further, particularly in connection with the intelligence community.

9. [REDACTED] Talked with Mr. Michaels, House Appropriations Committee staff, alerting him to our action in connection with the Appropriations Investigative team travelling abroad and looking at DOD commo facilities. He agreed that our way of handling this appeared appropriate and his team had not been granted authorization by the Committee to look at CIA commo installations.

Requested Mr. Michaels to attempt to arrange an appointment for the Director to see Representative George Mahon privately some time Monday.

Advised Mr. Michaels that [REDACTED] has an appropriate security clearance for the job he was applying for in [REDACTED]
